## EXPERTISE AND SKILLS

I learn fast, I like to work in a team, but self-employment also motivates me. I strive for precise, accurate work.

I speak English at a basic level, I can understand written and heard text at an intermediate level (document reading level), I don't have a language exam yet.

During my study I gained knowledge in the following:

- Java
- JavaScript
- JQuery
- PHP
- HTML 5
- CSS 3
- MySQL
- Photoshop

Driving licence: B category

## EXPERIENCE | WEB PROGRAMMER - RF-IT HUNGARY KFT.

2017. SEPTEMBER - 2018. APRIL

My tasks were mostly on the Frontend, but I also had the opportunity to get acquainted with the Backend. On the Frontend side I worked in React Js and on the Backend side I worked in the Spring Boot framework. Additional experiences I gained while working:

- JPA Hibernate
- Spring Boot
- React Js
- Thymeleaf
- PostgreSQL
- Git
- Docker
